						Tipo:Revisão do EEG	

EEG recording showing 16 channels (Fp1-A1 to T6-A2) and two ECG channels (ECG1, ECG2). The recording is marked with vertical lines indicating time intervals from 10:34:08 to 10:34:15. A pink label "Fotoestimulação" is present above the Fp1-A1 channel around 10:34:13. Scale bars at the bottom indicate 5mm and 20µV(Eeg).

						Tipo:Revisão do EEG	

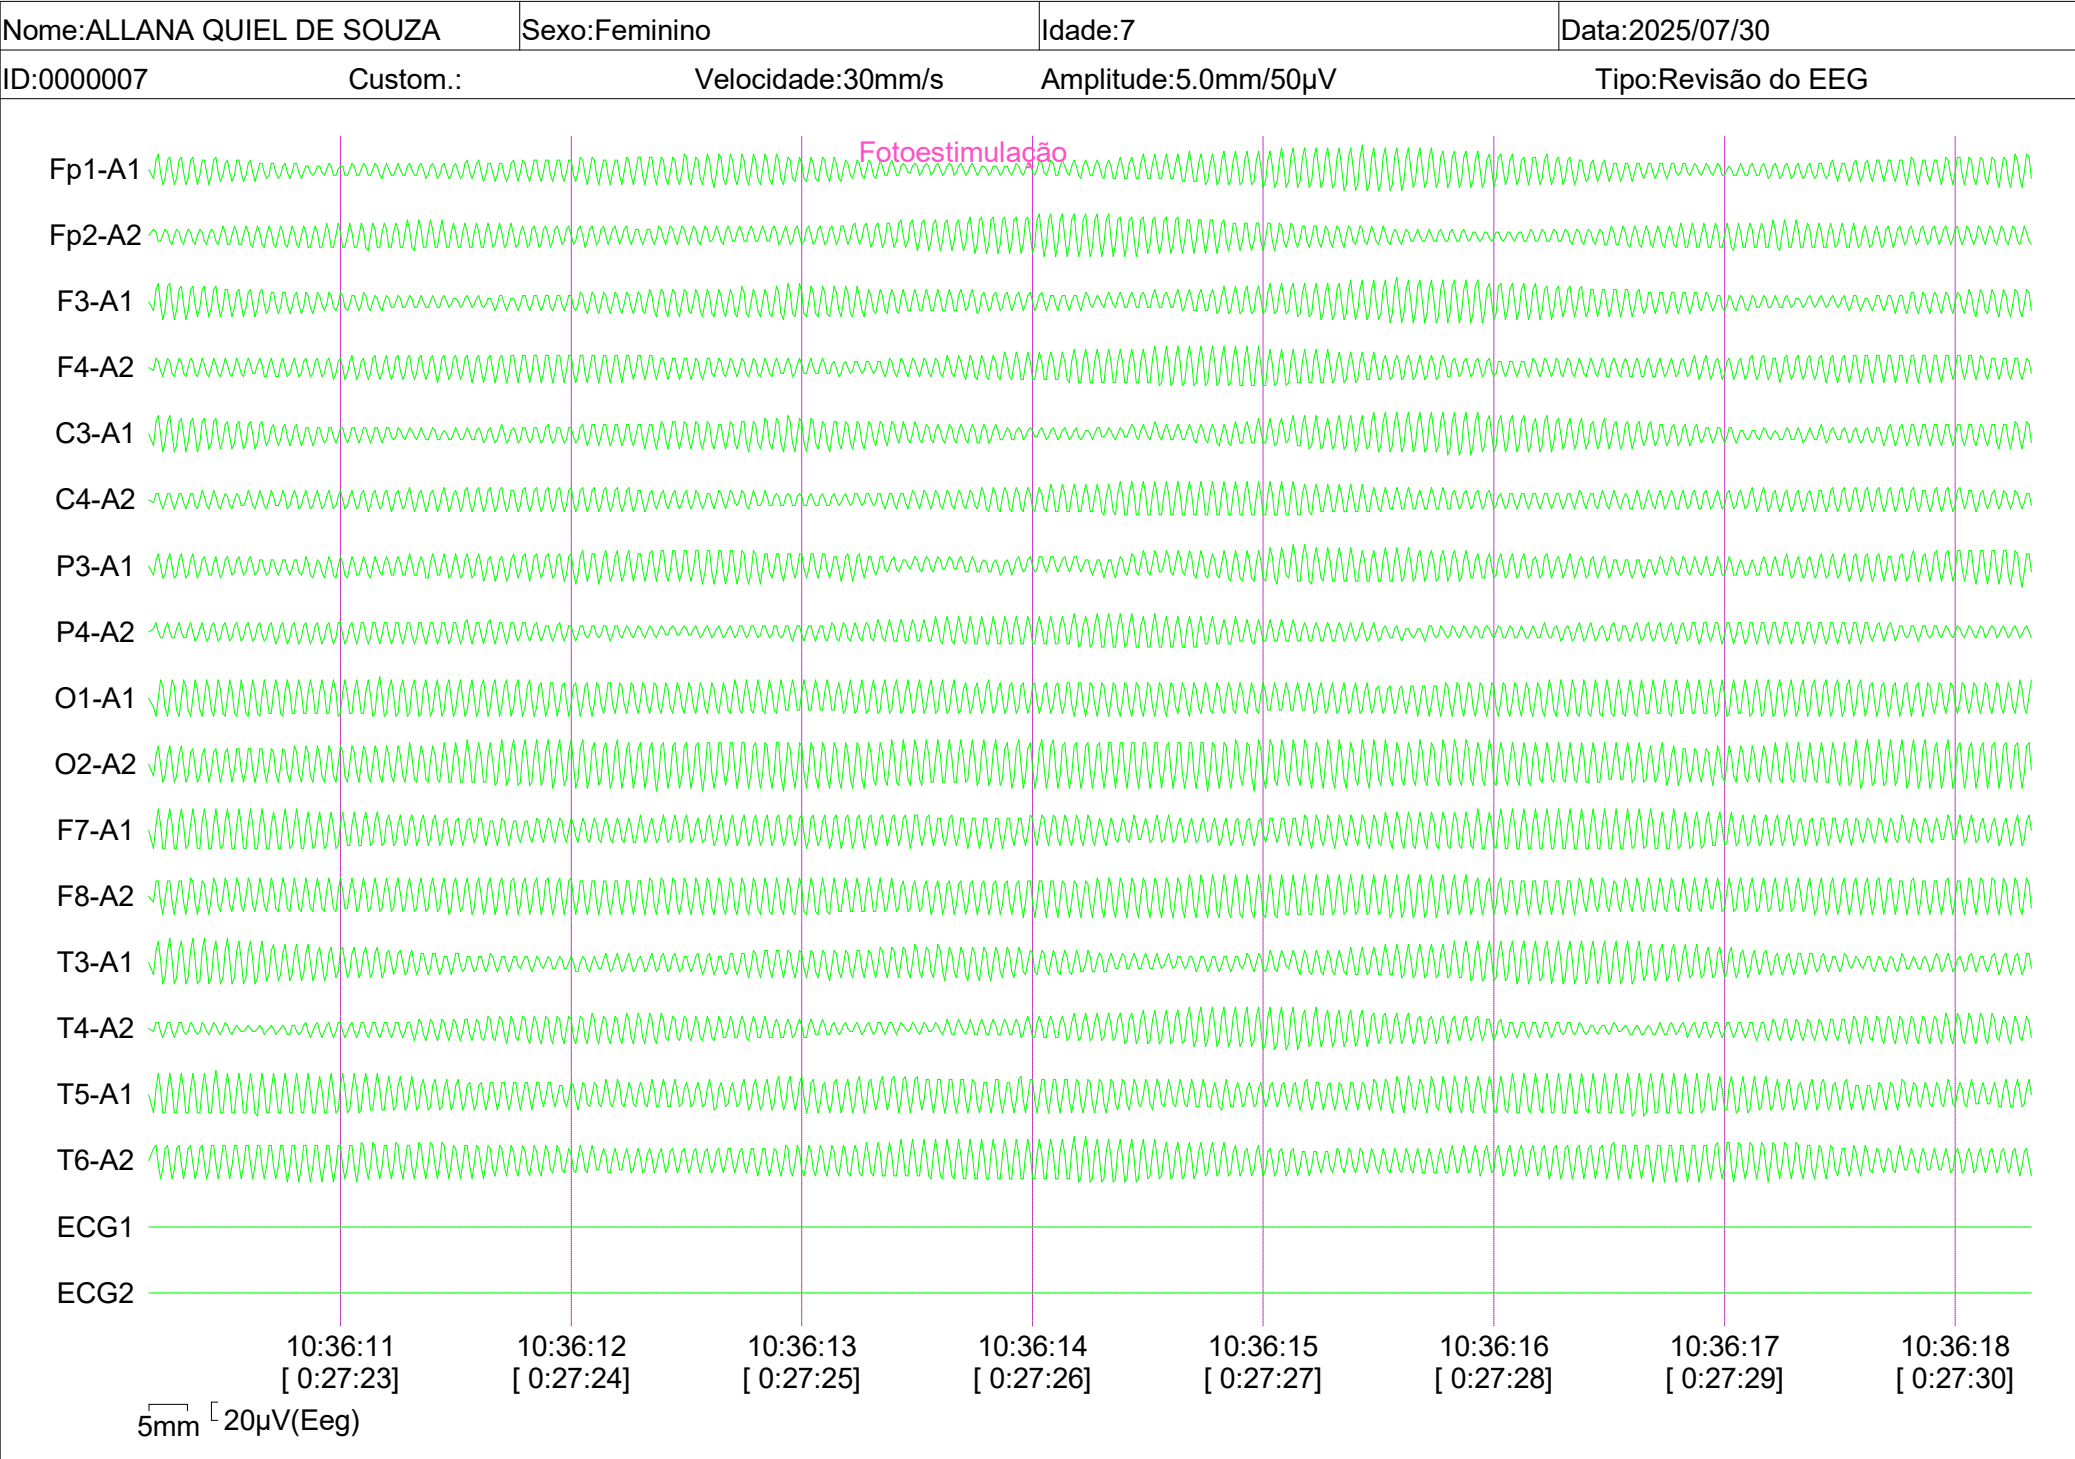

EEG recording showing 16 channels (Fp1-A1 to T6-A2) and two ECG channels (ECG1, ECG2). The recording is a continuous trace with a pink vertical line indicating 'Fotoestimulação' at approximately 10:35:28. The x-axis shows time from 10:35:22 to 10:35:29. The y-axis shows voltage with a scale of 5mm for 20µV (Eeg).
